

## Friends of Delnor-Wiggins Pass State Park

# Adopt-A-Nest - 2024

Delnor-Wiggins Pass State Park turtle patrol last year marked 58 nests and 167 false crawls along its shores during turtle nesting season. The natural shoreline and our beaches are the perfect habitat for the turtles' nests. Because the human impact has taken a toll on these gentle sea giants, turtles are struggling to survive. Our trained staff routinely monitors the park's entire shoreline during nesting season. We are doing our part along with experts around the state and country to see that nests are protected, as much as possible and now you can too.

We have 3 great ways to donate

🌿 **"The Loggerhead"** is a \$250 donation level, we personalize your sign with the name/business name of your choice. You will receive an adoption certificate, personalized sign on the nest and a 5/7 print.

🌿 **"The Green"** is a \$500 donation level, we will put your business logo on your sponsorship sign. You will receive an adoption certificate, personalized sign including business logo on the nest and a 5/7 print.

🌿 **"The Leatherback"** is a \$1000 donation level, your sign will be the **only** sign on the nest cage. You will receive an adoption certificate, the sign of your choice that includes either personalized sign, photo sign, or business logo on the nest, a 5x7 print of the sign, a merchandise package which includes a critter of your choice (turtle, dolphin, manatee or gator), Friends t-shirt and Friends hat.
